

# 2022 APA-IL FINANCIALS

APA-IL ended the 2022 fiscal year in great shape. After budgeting a loss of \$(21,840), the chapter had net income of \$82,079. The discrepancy between budgeted versus actual income is mostly attributable higher income from job postings and conference registration and sponsorship, as well as conservative expense allocation. A break-down of the year-end amounts (as of 12/31/22) for the revenue & expense budget categories are below.
